

2024 Health Department Goals

1. Maximize the use of the online credit card payment system by pushing public education/outreach campaigns by the third quarter
2. Collaborate with at least 3 agencies throughout the year on Opioid/Over Dose awareness/prevention or mental health awareness by third quarter
3. Advance electronic billing for clinic services through current or new EMR by fourth quarter
4. Promote tobacco use cessation in Allegany County and decrease the prevalence of tobacco use by 2% for adults age 18 years and older by December 2024.
5. Provide awareness/outreach for private sewer system maintenance/function/permitting by second quarter
6. Continue working on Community Health Improvement Plan (CHIP) goals
